

VELODROME RULES

- Registration** All velodrome users must register with DISC Venue Manager before use. Cyclists in a scheduled track session or those who have signed in as casual riders are considered registered.
- Infield Entry** All cyclists, team officials & all visitors must enter and exit the track using the tunnel only at all times.
Penalties will apply to those who cross the track at any time.
- No go Zone** All velodrome users are not permitted to walk on or cross the indoor lawn bowling area. Velodrome users are required to transit between ends along the black asphalted area.
- Helmets** Helmets must be worn at all times whilst on the track, the apron or the infield.
- Bicycles** Bicycles must be in proper working order when ridden on the track.
Only track / fixed gear bicycles are allowed. No quick release wheels or road bikes.
- Hygiene & Safety** All velodrome users must keep the velodrome free of rubbish by using bins provided. Cyclists must not spit or clear their nose onto any surface within the velodrome. Cyclists must not eat or chew gum whilst on the track, and must dispose of any gum appropriately.
Cyclists are responsible for cleaning any mess caused as a result of vomiting.
Cyclists cannot change clothes in the track centre. If removing a jersey or Lycra top must wear an under vest.
Change rooms and toilets are located behind the main grandstand.
Do not walk from the cyclists "D" to the changing rooms in cycling shoes with cleats.
When not training cyclists should wear warm clothing.
Children are to supervised at all times and are not permitted in the infield unattended.
- Awareness** Cyclists, coaches and all visitors must be courteous, and show awareness of all users while in the velodrome. Please be mindful of leaving the velodrome clean and tidy for the use of others.
